November 15, 2021

Dr. Jason Bowling was recently featured in a news story "After a slow start, flu cases on the rise" for News 4 San Antonio. The feature was carried on MSN media outlets as well.

Dr. Bowling said, "It's always hard to predict the flu season," and he has concern because of the 10 early cases they saw in August of this year. He continued by stating that it is very important to get your annual flu shot this year, especially if you did not get vaccinated last year. Dr. Jason Bowling is an Infectious Disease specialist at UT Health San Antonio and Assistant Professor of Infectious Diseases.

Let TMA Insurance Trust Be Your Health Insurance Specialist.

TMAIT is a Platinum Sponsor of BCMS.

As a practice owner, when one of your patients' needs specialized care or advice, you refer them to a physician who specializes in that particular field of medicine. That's standard procedure.

But what about in your own life? What if you needed advice in an area in which you had limited knowledge? What if, for example, you wanted advice about health insurance? Would you reach out to a "specialist?"
