

A Physician Well-Being Symposium.

Join us for the next installment of Physician Wellness Symposium, featuring Thomas Vetter, MD, MPH, MFA, Jeff Hutchinson, MD, Christina Gomez, MD, Christine Sinsky, MD, and Clair Hebner, MD.

CME Information

By the end of this presentation, the audience participant should be able to:

1. Examine the many ways that we can pursue our calling in medicine, including career pivots, retooling or new appreciation of our current practice setting.
2. Explore new ways of seeing meaning in our daily work including practices that can uncover and celebrate our values and relationships with patients and colleagues.
3. Examine and explore a healthy navigation and relationship with the increasingly complex business of medicine environment.
4. Examine our call to productive, individual, and collective leadership roles within the medical organizations we inhabit.

Target Audience:

Primary: Physicians, residents, and medical students of any specialty in Travis County

Secondary: Surrounding area Physicians, residents, and medical students

This activity has been designed to promote some of the following desired physician attributes and competencies:

ACGME: Professionalism

IOM: Work w/Interdisciplinary Teams, Use Evidence-based Practice

IECC: Interprofessional Teamwork & Team-based, Roles & Responsibilities

Saturday, September 23, 2023
