

INAUGURAL

Methodist International Lower Extremity Symposium

MILES

December 15-17, 2022 • La Cantera Resort • San Antonio, TX

The Inaugural Methodist International Lower Extremity Symposium (MILES) is the renewed version of the previous International External Fixation Symposium. MILES provides a comprehensive overview of surgery for the diabetic foot and ankle. Led by national and international experts, evidence-based lectures with dynamic panel discussions are augmented by detailed hands-on surgical training in cadaveric workshops. The MILES conference seeks to unite the world as one of the original and most dedicated surgical training symposiums in the management of the diabetic foot and ankle.

Scientific Chair

Thomas Zgonis, DPM, FACFAS

Target Audience

- Podiatric surgeons
- Orthopaedic surgeons
- Vascular surgeons
- Plastic surgeons
- General surgeons
- Fellows, residents, students
- All other health care professionals involved in the surgical management of diabetic lower extremity manifestations.

CME/CE Information

Approved for *AMA PRA Category 1 Credits™*.

Clinicians: An application for nursing contact hours has been submitted.
